NVIDIA Corporation, 2788 San Tomas Expressway, Santa Clara, CA 95051.

C) Go back to NVIDIA's page

- Your mail will be verified and select the settings as per requirement and Submit.

Almost done!

Please confirm the information below to complete the registration

Recommendation Settings

☐ Yes, recommend content that I might enjoy based on how I engage with NVIDIA's websites, software, and events.

Be the first to learn about new SDKs, developer tools and training

☐ Send me the latest developer news, announcements, and more from NVIDIA. I can unsubscribe at any time.

We promise to protect your privacy. We never sell your data. You can change your settings anytime at privacy.nvidia.com

Submit

- Complete your profile and select the following fields
 - Student - Undergraduate in Job Role.
 - University of Mumbai in Organisation/University Name.
 - Academia/Education in Industry.
 - Add any 3 areas of development

(SAMPLE GIVEN BELOW)

E) On commencing the workshop follow the link below after logging in and we'll give you the event code to join!

Link: <https://learn.nvidia.com/dli-event>

The screenshot shows a web browser window with the URL <https://courses.nvidia.com/dli-event/>. The page features the NVIDIA logo and a navigation bar for the Deep Learning Institute, including links to Online Courses, Instructor-Led Workshops, Educator Programs, and Enterprise Solutions. The main content area is titled "DLI Event" and contains an "Event Code" input field with a placeholder text "Enter your event code." and a green "ENROLL" button.
